

DIPLOMA IN AGRICULTURAL EXTENSION SERVICES FOR INPUT DEALERS (DAESI)

Agri-Input Dealers in the Nashik District are a prime source of farm information to the farming community, besides the supply of inputs and credit. However, majority of these dealers do not have formal agricultural education. In order to build their technical competency in agriculture and to facilitate them to serve the farmers better and to act as para-extension professionals, National Institute of Agricultural Extension Management (MANAGE) has launched a self-financed “**One-year Diploma in Agricultural Extension Services for Input Dealers (DAESI) Program**” during the year 2003 with a course fee of Rs.20, 000/- to the input dealers. The program is implemented by MANAGE, Hyderabad through State Agricultural Management and Extension Training Institutes (SAMETIs).
