

# “DEPARTMENT WISE DETAILS OF EXPOSURE VISIT”

**Academic Year: 2016-17**

Sr. No.	Name of the Department	Sem. (Course)	Date of Visit	Destination (Place visited)	Purpose of visit	No. of students visited + Staff
1.	Soil Science & Agril. Chemistry	VIII	06/03/2017	MRDBS Soil Sample Testing Lab, Ozar Mig, Nashik	Collection of Information about Soil Testing Laboratory	16 + 3
2.	Soil Science & Agril. Chemistry	VIII	10/03/2017	Depart of Soil Science & Agril Chemistry, MPKV, Rahuri.	Visit to university Soil and Water Testing Lab under the Experiential Learning Programme	16 + 3
3.	Plant Pathology	VIII	23/02/2017	Godavari Biofertilizer Malegoan, Tal. Sinnar,	To get knowledge about commercial production of Biofertilizer	15+2
4.	Plant Pathology	VIII	27/03/ 2017	Department of Plant Pathology and Microbiology M.P.K.V.Rahuri	To get knowledge about commercial production of Biofertilizer in Agricultural University.	15+1
5.	Agril. Engineering	Module	31/12/2016	Nashik tractor service center Mahindra and Swaraj	To acquaint the students about tractor & it's different operating system.	16
6.	Agril. Engineering	Module	7/01/2017	Tractor Service Center Captain tractor New Holland tractor	To study different new tractor's model.	16
7.	Agril. Engineering	Module	13/01/2017	Indofarm Deutzfahr tractor's	To study different new tractor's model.	16

8.	Agril. Engineering	Module	18/01/2017	Benson Agro Engg./MIDC SATPUR.	To study the different field machinery.	16
9	Agril. Engineering	Module	10/03/2017	MPKV Rahuri krishi vidyapeeth	To visit farm machinery testing unit and irrigation plant, precision farming unit.	16
10.	Agricultural Economics	V (ECON-354)	07/09/2016	APMC, Nashik	Collecting information about Market structure, marketing Functions, activities, Methods of sale for Agril. Produce & Livestock	67+2
11.	Agricultural Economics	VI (ECON-365)	01/03/2017	Sahyadri Farm Ltd, Mohadi, Tal-Dindori, Nashik	Collecting Information about Agro Processing unit- Structure, Management, Financial aspects, Food processing And their export strategies as well as Farmers Mall.	56+2

# “DEPARTMENT WISE DETAILS OF EXPOSURE VISIT”

**Academic Year: 2017-18**

Sr. No.	Name of the Department	Sem. (Course)	Date of Visit	Destination (Place visited)	Purpose of visit	No. of students visited + Staff
1.	Agronomy	III <sup>rd</sup> (AGRO-234)	12/07/2019	Zonal Agricultural Research Station, Igatpuri, Dis- Nashik	Educational Visit for study of Paddy Research and varieties of Paddy as well as cultivation Practices	145 + 4
2.	Soil Science & Agril. Chemistry	VIII	26-03-2018	Rashtriya Chemicals and Fertilizers(RCF), Navi Mumbai	Visit to fertilizers manufacturing unit.	20 + 3
3.	Soil Science & Agril. Chemistry	VIII	27-03-2018	Khar Land Research Centre, Panvel	To get knowledge about Problematic Soils	20 + 3
4.	Soil Science & Agril. Chemistry	VIII	28-3-2018	Urea manufacturing plant, RCF, Thal, MH	To get Information about Fertilizer manufacturing	20 + 3
5.	Plant Pathology	I	25/05/ 2018	Onion and Grapes research station, Pimpalgon-Baswant	Educational Visit for study of research center working	120+6
6.	Agril. Engineering	Module	09/02/2018	Nashik tractor service center Mahindra and Swaraj	To acquaint the students about tractor & it's different operating system.	16
7.	Agril. Engineering	Module	25/01/2018	Benson Agro Engg./MIDC SATPUR	To study different agricultural machineries.	16
8.	Agril. Engineering	Module	08/03/2018	Boraste Mitsubishi Tractor, Pimpalgaon	To study the different new developpe agril.field machinery.	16

9	Animal Husbandry & Dairy Science	ASDS-487	21/03/2018	Katraj Dairy, Pune Zilha Sahakari Dudh Utpadak Sangh Ltd. Pune	Study of structure, processing, handling, quality control, production and management of dairy industry	20+4
10.	Animal Husbandry & Dairy Science	ASDS-487	22/03/2018	1. Nandan Dairy, Baramati Taluka Sahakari Doodh Utpadak Sangh Maryadit, Baramati. 2. Chitale Dairy, Bhilawadi Station, Tasgaon, Sangli.	Study of structure, processing, handling, quality control, production and management of dairy industry	20+4
11.	Agricultural Economics	V (ECON-354)	11/10/2017	APMC, Nashik	Collecting information about Market structure, marketing Functions, activities, Methods of sale for Agril. Produce & Livestock	44+2
12.	Agricultural Economics	VI (ECON-354)	31/03/2018	Sahyadri Farm Ltd, Mohadi, Tal-Dindori, Nashik	Collecting Information about Agro Processing unit- Structure, Management, Financial aspects, Food processing And their export strategies as well as Farmers Mall.	51+2

## “DEPARTMENT WISE DETAILS OF EXPOSURE VISIT”

**Academic Year: 2018-19**

Sr. No.	Name of the Department	Sem. (Course)	Date of Visit	Destination (Place visited)	Purpose of visit	No. of students visited + Staff
1.	Soil Science & Agril. Chemistry	VIII	26-03-2019	Depart of Soil Science & Agril Chemistry, MPKV, Rahuri.	Visit to university Soil and Water Testing Lab under the Experiential Learning Programme	21 + 3
2.	Plant Pathology	VIII	11/03/2019	Krishidoot Bio-Herbals Jawalke-Dindori	Educational Visit for study of Biofertilizers and their role in Agriculture	23 + 3
3.	Agricultural Entomology	V (ENTO 354)	18/09/2019	Central Warehousing Corporation Unit, Nashik	To collect information about Warehouse for storage entomology. Management of store grain pest etc.	110+2
4.	Agril. Engineering	Module	29/12/2018	New Holland Tractor Service Center Nashik.	To acquaint the students about tractor & it's different operating system.	23
5.	Agril. Engineering	Module	12/01/2019	Swaraj Tractor Service Center Nashik	To acquaint the students about tractor & it's different operating system.	23
6.	Agril. Engineering	Module	16/02/2019	Farmtrac & Mahindra Tractor Service Center Nashik	To study tractor maintenance and repair workshops.	23
7.	Agril. Engineering	Module	06/03/2019	Benson Agro Engineering MIDC SATPUR.	To study the different new develop agril.field machinery.	23
8.	Animal Husbandry & Dairy Science	ASDS-487	27/03/2019	Surat Co-operative Milk Producers Union	Study of structure, processing, handling, quality control,	23+4

				Limited (SUMUL), Surat, Gujrat State	production and management of dairy industry	
9	Animal Husbandry & Dairy Science	ASDS-487	28/03/2019	1) National Dairy Development Board, Anand, Gujrat State 2) Anand Milk Union Limited (AMUL), Anand, Gujrat State	Study of structure, processing, handling, quality control, production and management of dairy industry	23+4
10.	Agricultural Economics	V (ECON-354)	03/10/2018	APMC, Nashik	Collecting information about Market structure, marketing Functions, activities, Methods of sale for Agril. Produce & Livestock	117+2
11.	Agricultural Economics	VI (ECON-365)	09/03/19	Sahyadri Farm Ltd, Mohadi, Tal- Dindori, Nashik	Collecting Information about Agro Processing unit- Structure, Management, Financial aspects, Food processing And their export strategies as well as Farmers Mall.	83 + 2

# “DEPARTMENT WISE DETAILS OF EXPOSURE VISIT”

**Academic Year: 2019-20**

Sr. No.	Name of the Department	Sem. (Course)	Date of Visit	Destination (Place visited)	Purpose of visit	No. of students visited + Staff
1.	Agronomy	IV <sup>th</sup> (AGRO-246)	09/03/2020	Wheat Research Station, Kundewadi, Niphad	Educational Visit for Study of wheat Research and varieties of wheat as well as cultivation Practices	120 + 3
2.	Agronomy	IV <sup>th</sup> (AGRO-246)	09/03/2020	Wheat Research Station, Kundewadi, Niphad	Educational Visit for Study of wheat Research and varieties of wheat as well as cultivation Practices	120 + 3
3.	Department of Agril. Botany	IV <sup>th</sup> ESDM 231 (NEW)	01/10/2019	Nehru Botanical Garden, Nashik	Visit under the practical of course for study of Biodiversity	101+4
4.	Department of Agril. Botany	IV <sup>th</sup> ESDM 231 (NEW)	01/10/2019	Waste Management System of Municipal Corporation, Nashik	Visit under the practical of course for pollution management projects	101+4
5.	Department of Agril. Botany	VIII <sup>th</sup> AEL BOT 489 (Old)	06/02/2020	Vasantdada Suagr Institute, Manjri, Pune	Visit to Commercial Tissue Culture Laboratories under module practical	08+1
6.	Department of Agril. Botany	VIII <sup>th</sup> (Old) AEL BOT 489 (Old)	06/02/2020	Agharkar Research Institute, Pune	Visit to Commercial Tissue Culture Laboratories under module practical	08+1
7.	Department of Agril. Botany	VIII <sup>th</sup> AEL BOT 489 (Old)	06/02/2020	Kala Biotech Private LTD.	Visit to Commercial Tissue Culture Laboratories under module practical	08+1
8.	Soil Science & Agril. Chemistry	VIII	17-02-2020	Depart of Soil Science & Agril Chemistry, MPKV, Rahuri.	Visit to university Soil and Water Testing Lab under the Experiential Learning Programme	23 + 2

9	Soil Science & Agril. Chemistry	VIII	28-02-2020	Khar land Research Station, Panvel	To get knowledge about Problematic Soils	23 + 2
10.	Soil Science & Agril. Chemistry	VIII	02-03-2020	Dr. Balasaheb konkan krushi Vidyapeeth, Dapoli	Visit to Soil Science and Agril. Chemistry department	23 + 2
11.	Soil Science & Agril. Chemistry	VIII	03-03-2020	Central costal agricultural research Institute, goa	Visit to Soil and Water Testing Laboratory	23 + 2
12.	Agril. Engineering	Module	15/01/2020	Tractor Service Center Nashik.	To acquaint the students about tractor & it's different operating system.	25
13.	Agril. Engineering	Module	22/01/2020	Benson Agro Engineering MIDC SATPUR.	To study the different new developpe agril. field machinery.	25
14.	Agril. Engineering	Module	07/02/2020	Shaktiman Agro Services Center, Pune	To study different agricultural machineries.	25
15.	Agril. Engineering	Module	24/02/2020	Renewable energy source related solar plant visit to KBT College Of Engineering Nashik. (2 <sup>nd</sup> yr)	To study the Photovoltaic System Practically.	25
16.	Agricultural Economics	V (ECON 353 & ECON 354)	18/09/2019	APMC, Nashik & Central Warehousing Corporation Unit, Nashik	To collect information about marketing functions, its organizational structure, different marketing methods. etc. To collect information about Warehouse. CWC & SWC, its functioning, storage methods, etc.	110+2

# “DEPARTMENT WISE DETAILS OF EXPOSURE VISIT”

Academic Year: 2020-21

Sr. No.	Name of the Department	Sem. (Course)	Date of Visit	Destination (Place visited)	Purpose of visit	No. of students visited + Staff
1.	Agronomy	VI (New)	03/1/2022	Agriculture Research Station, Kundewadi, Niphad	Educational visit is conducted to get practical knowledge about Wheat cultivation.	100 + 5
2.	Agril. Engineering	Module	15/02/2021	Mahindra tractor Service Center & showroom Nashik.	To acquaint the students about tractor & it's different operating system.	22
3.	Agril. Engineering	Module	22/02/2021	Shakti tractor service center and showroom & Force tractor service center	To study the different new develop agril.field machinery.	22
4.	Agril. Engineering	Module	03/03/2021	Boraste Tractor House.	To study different agricultural machineries.	22
5.	Agricultural Economics	VI (ELE-ECON-354 & (ECON 365)	11/03/2022	Sahyadri Farmers Producer Company Ltd, Mohadi, Tal-Dindori, Nashik	Collecting Information about Agro Processing unit- Structure, Management, Financial aspects, Food processing And their export strategies as well as Farmers Mall.	24+3

# “DEPARTMENT WISE DETAILS OF EXPOSURE VISIT”

**Academic Year: 2021-22**

Sr. No.	Name of the Department	Sem. (Course)	Date of Visit	Destination (Place visited)	Purpose of visit	No. of students visited + Staff
1.	Department of Agril. Botany	VI <sup>th</sup> New GPB 366	15/03/2022	ARS, Kundewadi, Niphad	Visit to AICRP-Wheat project under practical syllabus	133+3
2.	Department of Agril. Botany	IV <sup>th</sup> sem ESDM-231 New	09/03/2022	Nehru Botanical Garden, Nashik	Visit under the practical of course for study of Biodiversity	121+4
3.	Department of Agril. Botany	IV <sup>th</sup> sem ESDM-231 New	09/03/2022	Waste Management System of Municipal Corporation, Nashik	Visit under the practical of course for pollution management projects	121+4
4.	Horticulture	VIII <sup>th</sup> (SRP-EL HORT-4011)	25/01/22	Om Gayatri Nursery, Ugaon	To get the information regarding vegetable seedling preparation, ornamental plants, bench grafting in grapes, vegetable grafting and atomization in nursery	37+2
5.	Horticulture	VIII <sup>th</sup> (SRP-EL HORT-4011)	25/03/22	Om Gayatri Nursery, Ugaon	To get the information regarding vegetable seedling preparation, ornamental plants, bench grafting in grapes, vegetable grafting and atomization in nursery	37+2
6.	Agricultural Entomology	VIII (SRP-EL-ENTO-407)	23/03/2022	Suprakruti Madhushala (Bee Organic Farm), Near YCMOU, Gowardhan, Nashik-422 222	Collecting Information about Beekeeping, Modern equipments, Different spp. Dr. T.B. Nikam (Master trainer of Beekeeping) Give valuable information and show some practical's regarding beekeeping	32+2

7.	Agril. Engineering	Module	27/12/2021	Mahindra tractor Service Center & showroom Nashik.	To acquaint the students about tractor & it's different operating system.	19
8.	Agril. Engineering	Module	27/12/2021	Mahindra tractor Service Center & showroom Nashik.	To acquaint the students about tractor & it's different operating system	19
9	Agril. Engineering	Module	03/01/2022	Shaktiman Tractor Service Center & showroom.	To study farm field related tractor equipments. ex.rotavators,cultivators.	19
10.	Agril. Engineering	Module	31/01/2022	Kokangaon Farm Field. Dindori	To study tractor and to do practice tractor driving.	19
11.	Agril. Engineering	Module	14/02/2022	Patil Machinery Nashik	To study different agricultural machineries.	19
12.	Agril. Engineering	Module	21/02/2022	Benson Agro Engineering MIDC SATPUR.	To study different agricultural machineries.	19
13.	Agril. Engineering	Module	07/02/2022	Bhavani Drip industry and services. Nashik	To study drip irrigation systems.	19
14.	Agril. Engineering	Module	15/03/2022	Om Gayatri Nursery ugaon road, Niphad.	To study about Greenhouse structures & automation.	19
15.	Agril. Engineering	Module	21/03/2022	MVP's K.B.T College Of Engineering, Nashik.	To study IC engine & it's different system.	19
15.	Agriculture Extension & Communication	EXTN-355 (NEW)	11/03/2022	Sahyadri Farm,Mohadi,Tal.Dindori Dist.Nashik	To collect information regarding successful entrepreneur. To promote & develop entrepreneurship.	21+2
